Please check off the appropriate steps and gather any necessary signatures before you go abroad. No credit will be recorded for study abroad if this form is not returned to the Student Services Office prior to your departure.

- Confirm your participation by submitting the Disclaimer Form.
- Fill out the application to the academic institution abroad. Margaret Hackbarth will assist you in preparing the application and answer any questions you might have about the process.
- Fill out the Individual Academic Plan and submit to Adi Altshuler, Director of International Programs.
- Schedule a meeting with Adi Altshuler to review your course and determine an estimated number of Northwestern credits to be earned.
- Schedule an appointment with Julia Jenkins, in the Financial Aid Office, to discuss your financial aid and any arrangements necessary by that office before your departure.
- Enroll in Northwestern’s GeoBlue health insurance. Refer to the FAQs if you are a citizen of the country to which you are traveling.
- Register your trip in Northwestern’s International Travel Registry. You will receive an email inviting you to register. Please complete this at least four weeks prior to your departure. You will need your passport and trip itinerary to register.
- Check the U.S. Department of State Travel Advisory for your destination before your departure to familiarize yourself with any special conditions in the host country that might affect your safety or require special safety measures. Please be aware that in case of terror threats or other conditions in the area that might affect your safety, NU reserves the right to cancel your participation under certain circumstances. You are strongly advised to purchase cancellation insurance when you buy an airline ticket.
- Register your travel at no cost with the U.S. Department of State’s Smart Traveler Enrollment Program (STEP) so you can receive security alerts from a nearby embassy or consulate during your time abroad. Non-U.S. citizens can sign up for the U.S. DOS Travel Advisory email subscription service to receive travel safety information about your destination.
- You should work with the host school on obtaining a student visa if necessary.
- Please let Student Services know if you are willing to release information regarding your Chicago apartment to incoming exchange students and vice versa.
