

NANCY C. LOEB

ACADEMIC POSITIONS

**Northwestern Pritzker School of Law
Bluhm Legal Clinic
Clinical Professor of Law
Director, Environmental Advocacy Center
January 2009 – Present**

Founding Director of the Environmental Advocacy Center/Clinic (EAC). Direct and teach multidisciplinary clinic, emphasizing a broad-based view of legal strategy and environmental solutions. Clinic students work on cases and projects across multiple areas of environmental law, with particular focus on environmental justice, natural resources protection, energy, and sustainability. Students learn hands-on to pursue environmental solutions through strategies that incorporate a broad range of legal and advocacy options. Students participate in environmental litigation, administrative proceedings, legislative and rulemaking proceedings, and public advocacy and media activities, working with clinic faculty and outside partners.

Additional Classes

Energy Law and Policy
Economics and the Environment
